A fellow researcher on the Stabler family has a branch into the Senn family. She has traced her ancestors back to Henry Senn (b. Aug 1852, d.
24 Jan 1914) who married Eugenia _____?(b. 1851, d. after 1880). She thinks that Henry Senn's father was James Senn, but needs help. James Senn
(b. about 1822, d. between 1870 and 1880) married Eliza Spires.
Anyone out there with information on the Senn family that may be able to
help?
